

## Call for Abstracts

### Starship Children's Health Nursing Seminar 2010

The 2010 organising committee of the Starship Children's Health Nursing Seminar invites nurses to submit abstracts for oral or poster presentations. Abstracts with a general theme will be considered but preference will be given to those within the major seminar themes:

- Dynamic nursing in lean times
- Partnership across the care continuum
- Innovations in nursing practice
- Guiding practice change and improving health outcomes

**All abstracts will be blind reviewed. All presenters are required to register for the seminar day.**

#### Oral presentations:

- Presenters will be allowed 30minutes: 20minute presentation time and 10min for questions.
- Powerpoint is the preferred medium for presentations. Other presentation medium will only be available by arrangement.

#### Poster presentations:

- Posters are required to be on display throughout the seminar day.
- Posters must not be bigger than 1m x 1m in dimension and able to be easily attached to display panels.
- Each poster should bear the full title of the corresponding abstract and the name(s) of the author(s) with their affiliation.

#### Submitting your abstract:

All Abstracts, along with the attached cover sheet, must be submitted electronically (via email) as an attachment MS word (.doc) to [KTogi@adhb.govt.nz](mailto:KTogi@adhb.govt.nz)

- Title: The title should be no more than 2 lines in length (bold typeface)
- Authors: Name of all authors and affiliate organisation. The name of the presenting author/s should be underlined.
- Body of the abstract maximum of 300 words. Should include the following headings:
  - Background – the study/projects objectives
  - Methods – methods used in undertaking the study/project
  - Results – A summary of the results
  - Conclusion: the significance of the study/project for nursing practice and/or patient outcomes.
- Font: Arial 11 or 12 point
- Acknowledgments of supporting institutions/people may be made at the end of the abstract.
