The Library

Do you need your whakapapa for Maori scholarships and iwi/hapu grants? I can help!!

I can help by:

- Database searches that are specific to whakapapa
- Internet searches that are specific to whakapapa
- Helping to find your iwi/hapu affiliations
- Helping you to find your iwi/ hapu online or in books
- Helping you to discover your iwi/hapu histories
- Searching the Maori Land Court Minute Book Index

How can you help? If one or either of your parents are Maori, please bring the surname, if your mother is or was married, please bring maiden name, and that's all. The information that you have the faster the search for your whakapapa will be.
